1. Comment. The information refers to assault boats which were built at the Thaelmann Wharf in Brandenburg. the engineer depot Ketschendorf received river-crossing equipment from Brandenburg. 25X1

2. Comment. Probably, troop trains. 25X1

3. Comment. Numbers on fuel and ammunition shipments available here are higher than those observed in border-crossing traffic. the present report covers also shipments loaded in Frankfurt/Oder. 25X1

4. Comment. the new fuel depot at Radensleben has hardly any outgoing shipments and, presumably, serves as reserve depot. 25X1

5. Comment. With 380 cars, which presumably carried troops, omitted, a total of 3,849 cars were loaded in the Berlin regional railroad district in December 1952. No shipments exceeding the normal level were observed. 25X1
